The course is aimed at giving students information about the contemporary traits, skills, competences and requirements for the influential leader in the global environment and in large, complex organizations.

ECTS: 1.0

CULTURE AND LEADERSHIP

This course is multifaceted and focuses on a collection of related ideas rather than on a single unified theory. Our discussion in this course will center on research that describes culture, its dimensions, and the effect of culture on the leadership process.

ECTS: 1.0

Course description

TEAM AND LEADERSHIP. WORKSHOP ON SOCIAL COMPETENCIES

The course is designed to explore leadership forms, teams and groups, diversity within teams and groups, handling conflict in teams, and the role of communication in teams and groups. Students will gain an understanding of the theories, concepts, and frameworks that undergird teams and groups and the dynamics of leadership in teams and groups.

The main goal of the workshop is to present and make the characteristic of social competencies, which are increasingly rewarded by the labor market. Especially high – paying jobs require social competencies, such as teamwork, communication and solving problem skills, negotiation and leadership competencies. In the workshop chosen competencies are going to be discussed. Another aim of the course and workshop is to identify social competencies of students.

ECTS: 1.0

Sociocultural Studies

We offer interdisciplinary program “Sociocultural Study” that explores the complex networks linking local social and cultural life with global structures and processes.

This program, being a unique integration of Sociology and Social Anthropology, History and Social Geography, focuses on the interaction between Russian people and their environments, built and natural, and on local-global linkages.

Within the partner university workshop, you will identify your social competencies. Rich extra academic activities will bring you into inner life of the Russian Cultural Capital.
